

World Social Science Forum 2018 (WSSF2018)

The International Social Science Council (ISSC), established by UNESCO in 1952, is the primary body representing the social, economic and behavioral sciences at an international level.

The series of World Social Science Forum (WSSF) is one of the ISSC's flagship activities and the three Forums convened in the past nine years have achieved a great success, making this series highly prestigious and influential. The forth Forum (WSSF2018) will take place in September 2018 in Fukuoka, Japan, for the first time in Asia.

◇The call for papers is currently open.

Please see the list of Plenary Speakers on the Website. Your paper submission is cordially welcomed for advancing the social sciences - their quality, novelty, and utility, together with these prominent speakers from around the world!
